

Bundle Service

1 You: Send the Documents

Send us the documents you need to include in the bundle:

- Send electronic versions by email
- Send paper by courier.

Send scanned PDFs, Word documents, Excel spreadsheets, emails plus attachments, text files, Outlook exports, PowerPoint files, images (jpg, gif, tiff, png) and many other types.

2 We: Create the Bundle

We incorporate your documents into a professional bundle:

- Title Page
- Index
- Fully Paginated
- Available in PDF format.

We place the bundle in your secure cloud space.

We give you secure access to your cloud space.

3 You: Use the Bundle

You access the bundle in the secure cloud space.

- Download the bundle PDF file
- Search the full bundle, including documents that were originally scanned from paper
- Reorganise the bundle, renaming and moving sections and documents, adding new documents and removing old documents
- Securely share access to the bundle with colleagues, barristers, court and other parties
- Communicate using the Cloud Forum facilities.

4 You: Send More

Send us more documents to include in the bundle, even at the last moment.
